

Public Hearing Notification – S.R. 46 Project Development and Environment (PD&E) Study

Seminole County and the Florida Department of Transportation (FDOT), District 5 will hold a public hearing for the S.R. 46 PD&E Study on November 14, 2017, at the Sanford Civic Center, 401 E. Seminole Boulevard, Sanford, Florida. The hearing will begin as an open house at 5:30 p.m. with a formal presentation at 6:30 p.m. The PD&E Study proposes to widen S.R. 46 from two to four lanes from S.R. 415 to C.R. 426, a distance of 7.4 miles, to increase capacity to accommodate projected demand and enhance safety while minimizing impacts to the natural and human environments.

This public hearing is being conducted to give interested persons an opportunity to express their views concerning the location, conceptual design, and social, economic, and environmental effects of the proposed improvements. The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried-out by the FDOT pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated December 14, 2016, and executed by the Federal Highway Administration (FHWA) and FDOT.

The draft project documents and other information will be available for public review from October 24, 2017 to November 24, 2017 at the Seminole County Public Library North Branch (150 N. Palmetto Ave., Sanford, FL) and on the project website (www.sr46geneva.com).

Persons wishing to submit written statements, in place of or in addition to oral statements, may do so at the hearing or by mail or email to Matt Hassan, Seminole County Project Manager; Chris Rizzolo, Seminole County Consultant; or Mary McGehee, Planning and Environmental Management. All statements postmarked on or before November 24, 2017 will become a part of the public hearing record.

This letter is being sent to all property owners and tenants within at least 300 feet of either side of the proposed project and to other public officials, regulatory agencies, organizations, and individuals interested in the project.

If you have questions about the project or scheduled public hearing, please contact Matt Hassan, Chris Rizzolo, or Mary McGehee. You may also visit the project website at www.sr46geneva.com.
